

KARTHIKA D

Anaesthesia & Operation Theatre Technologist

SUMMARY

Dedicated and compassionate Anaesthesia and Operation Theatre Technician with hands-on internship experience in a tertiary care hospital. Skilled in providing critical support to anaesthesia providers and ensuring the safe and efficient operation of anaesthesia equipment. Seeking an entry-level opportunity to contribute to high-quality surgical care while continuously learning and growing in a clinical environment.

INTERNSHIP EXPERIENCE

Anaesthesia & Operation Theatre Intern

Rajarajeswari Medical College and Hospital, Bangalore

2025 – 2026

Assisted anaesthesiologists in General, Spinal, and Local Anaesthesia (GA, SA, LA)

Supported airway management including mask ventilation, endotracheal intubation, and extubation

Performed peripheral IV cannulation and Ryle's tube insertion using aseptic techniques

Assisted in placement and monitoring of CVP and arterial lines

Monitored vital signs during pre-operative, intra-operative, and post-operative periods

Assisted in general, laparoscopic, obstetrics & gynaecology, and plastic surgeries

Maintained OT sterility and infection control standards

Coordinated with anaesthesia and surgical teams for smooth OT workflow
